Length: 1:35

Program: 4 P.M.

Date: 4/6/11

Description: A report that recent government regulations are forcing banks to do away with some fees. Those restrictions are leading banks to find creative new things to charge for.

Length: 1:52

Program: 5 A.M.

Date: 4/8/11

Description: A report that \$100 will buy you a chance at owning the St. Jude Dream Home in Colleyville.

Length: :41

Program: 5 A.M.

Date: 4/12/11

Description: A report that the state comptroller revealed yesterday her office mistakenly posted personal information online for about 3.5 million Texans.

Length: :55

Program: 4 P.M.

Date: 4/12/11

Description: A report that Applebees will be making changes and retraining workers after a 15 month old boy's mom ordered apple juice, but was served alcohol instead. The container had been mislabeled as apple juice.

Length: :28

CONSUMER

Program: 4:30 A.M.

Date: 4/14/11

Description: A report that Transportation Department is considering new rules that would have airlines refund fees if your luggage is lost or delayed.

Length: :25

Program: 6 A.M.

Date: 4/24/11

Description: A report that Walmart is testing home grocery delivery. The move is Walmart's attempt to take more market share away from Amazon.com.

Length: :27

Program: 9 A.M.

Date: 4/30/11

Description: A report that United and Continental are raising fares on many U.S. routes by up to \$20 per round trip. There have been more than 6 domestic airline price hikes this year in an effort to cover rising fuel costs.

Length: :21

Program: 5 A.M.

Date: 5/6/11

Description: A report that General Motors is recalling about 150,000 2011 Chevy Cruze models so that mechanics can inspect the steering shafts and transmissions to make sure they were installed properly.

Length: :20

Program: 5 A.M.

Date: 5/11/11

Description: A report that federal officials unveiled a nationwide emergency system that would send alerts to mobile phones telling you what to do in case of an emergency. It is being tested in New York and should be up and running across the country by the end of 2012.

Length: :28

Program: 5 A.M.

Date: 5/11/11

Description: A report that American Express will begin selling gift cards at the post office.

Length: :20

Program: 10 P.M.

Date: 5/9/11

Description: A report that scientists at Duke University found potentially dangerous concentrations of methane gas in a water well near Pennsylvania drilling sites during a study on fracking.

Length: :23

CONSUMER

Program: 4:30 A.M.

Date: 5/13/11

Description: A report that congressional leaders are upset about rising gas prices and they want to know why oil companies still need tax breaks when gas is almost \$4/gallon?

Length: 1:38

Program: 4 P.M.

Date: 5/13/11

Description: A report that Americans paid more for gas and food last month.

Length: :23

Program: 10 P.M.

Date: 5/13/11

Description: A report that a severe drought across much of Texas might soon cost you more at the grocery store.

Length: :39

Program: 6 A.M.

Date: 5/16/11

Description: A report that the FDA is looking to make children's pain relievers come with instructions for kids 2 years old and younger.

Length: :20

Program: 10 P.M.

Date: 5/16/11

Description: A report that the massive Japanese earthquake is starting to affect car sales here. Honda and Toyota both are warning dealers to brace for a new-car shortage during the summer.

Length: 1:39

Program: 5 A.M.

Date: 5/18/11

Description: A report that congress is debating a law that would force state gun dealers to notify federal authorities of people buying lots of firearms. This would only apply to states along the border.

Length: :25

Program: 10 P.M.

Date: 5/20/11

Description: A report that the justice department is investigating whether companies that distribute airline flight information are violating antitrust laws.

Length: :24

CONSUMER

Date: 4/8/11

Description: A report that senator Jeff Wentworth will try again next week to push for concealed handguns on college campuses.

Length: :36

Program: 4 P.M.

Date: 4/13/11

Description: A report that Zipcar is planning sell shares on NASDAQ in an initial public offering starting Thursday. They offer cars for rent by the hour in cities and Universities across the country.

Length: :20

Program: 4 P.M.

Date: 4/14/11

Description: A report that takes an in-depth look at the Criminal Investigation Division on the IRS. They look into people who knowingly lie on their tax forms, which causes the government to lose out on roughly \$300 billion dollars a year in unpaid taxes.

Length: 2:49

Program: 8 A.M.

Date: 4/17/11

Description: A report that looks at the difference between red flag warnings and burn bans.

Length: :25

Program: 5 A.M.

Date: 4/19/11

Description: A report that Washington is kicking off a new campaign to curb prescription drug abuse.

Length: 1:15

Program: 5 A.M.

Date: 5/6/11

Description: A report that a bill requiring doctors to perform a sonogram before conducting an abortion is on its way to governor Perry's desk, and will become law once he signs it.

Length: :17

CRIME AND LAW ENFORCEMENT

Program: 5 A.M.

Date: 5/9/11

Description: A report that TX-DOT marked 10 years of the "Click it or Ticket" campaign. 10 years ago, only 76% of Texans wore a safety belt. Today, 94% do.

Length: :17

Program: 6 A.M.

Date: 5/9/11

Description: A report that President Obama will be in Texas tomorrow and will give a speech on immigration in El Paso then attend a fundraiser in Austin.

Length: :20

Program: 10 P.M.

Date: 5/9/11

Description: A report that the Texas Senate has approved legislation that would allow guns on college campuses. The bill is now headed to the House. Governor Perry says he supports the measure.

Length: :17

Program: 5 A.M.

Date: 5/11/11

Description: A report that federal officials unveiled a nationwide emergency system that would send alerts to mobile phones telling you what to do in case of an emergency. It is being tested in New York and should be up and running across the country by the end of 2012.

Length: :28

Program: 10 P.M.

Date: 5/13/11

Description: A report that A Collin County business owner says he called police for help, and has since been cited and fined for not having a special events permit for his flea market.

Length: 2:07

Program: 10 P.M.

Date: 5/13/11

Description: A report that the Texas House passed a bill today that would make improper airport pat downs a crime. But tonight, there are big questions about whether Texas could ever enforce such a law because airport security falls under the federal government.

Length: 2:10

Program: 4 P.M.

Date: 5/17/11

Description: A report that railroad crossing fatalities are a big problem in Texas, so police departments are now working to make railroad intersections safer.

Length: 2:03

CRIME AND LAW ENFORCEMENT

Program: 6 P.M.

Date: 5/18/11

Description: A report that Dallas faces a 79 million dollar shortfall and police and firefighters are under the axe.
